

"We are very pleased with how well the Banzai program and the donated supplies align with the needs of our students. After seeing their deficits from the results of the pre-test, we are even more convinced of the benefits this entire program will provide."

**J. SMITH, TEACHER
HICKMAN MILLS C-1 SCHOOL DISTRICT**

"Honestly, my parents have taught me a lot on personal finances. However, this [program] helped me realize that it is important to have a steady paycheck in order to pay your bills on time."

STUDENT, RAYMORE PECULIAR SR HIGH

"I learned how important it is to have a budget and plan for the worst or in case of an emergency."
