By signing above you agree to amend the terms of the original agreement and to repay the entire balance plus interest at the rate stated on the original note. You agree to pay the required minimum payment beginning the following month from this extension. Only one monthly loan payment per loan may be skipped. This will extend your contract for one month and interest will continue to accrue. This offer includes any installment loan held at CSD Credit Union. Not valid on CSDCU Visa Credit Card payments and First Mortgage payments. In order to skip a payment, the loan must be paid current and cannot have been over 30 days delinquent in the previous 12 months. The balance of the loan must not be over NADA value of collateral. **All members associated with the loan must sign the skip a payment form acknowledging the skipped payment.** GAP may not cover the skipped payment in the event of a loss. Offer not available on loans that have not received the first loan payment or loans with an original loan amount of \$600.00 or less.
